Re: United States v. Michael James Seward,  
Docket No. 14 Cr. 482 (ER)

Dear Judge Ramos:

I am CJA counsel for the defendant Michael James Seward in the above referenced matter. I write to request that the conference in this matter, presently scheduled for June 18, 2015, be adjourned for approximately six weeks. The adjournment is being requested due to the fact that my medical leave of approximately five weeks has not permitted me to confer with the government on a possible resolution of the matter nor further attend to the voluminous discovery in this case. Furthermore, I presently have a trial scheduled before Judge Koeltl in early July. The defense consents to the exclusion of this time in the interests of justice under the Speedy Trial Act.

The government does also consent to this defense request for an adjournment.

Please do not hesitate to raise any questions or concerns with me.

Thank you for the Court's consideration of this application.

Respectfully submitted,

Walter Mack
